§ 5.1 Civil Service regulations.

The Director, Office of Personnel Management, shall promulgate and enforce regulations necessary to carry out the provisions of the Civil Service Act and the Veterans' Preference Act, as reenacted in title 5, United States Code, the Civil Service Rules, and all other statutes and Executive orders imposing responsibilities on the Office. The Director is authorized, whenever there are practical difficulties and unnecessary hardships in complying with the strict letter of the regulation, to grant a variation from the strict letter of the regulation if such a variation is within the spirit of the regulations, and the efficiency of the Government and the integrity of the competitive service are protected and promoted. Whenever a variation is granted the Director shall note the official record to show:

(a) The particular practical difficulty or hardship involved, (b) what is permitted in place of what is required by regulations, (c) the circumstances which protect or promote the efficiency of the Government and the integrity of the competitive service, and (d) a statement limiting the application of the variation to the continuation of the conditions which gave rise to it. Like variations shall be granted whenever like conditions exist. All such decisions and information concerning variations noted in the official record shall be published promptly in a Federal Personnel Manual Letter or

Bulletin and in the Director's next annual report.

§ 5.2 Investigation and evaluations.

The Director may secure effective implementation of the civil service laws, rules, and regulations, and all Executive orders imposing responsibilities on the Office by:

(a) Investigating the qualifications and suitability of applicants for positions in the competitive service. The Director may require appointments to be made subject to investigation to enable the Director to determine, after appointment, that the requirements of law or the civil service rules and regulations have been met.

(b) Evaluating the effectiveness of: (1) Personnel policies, programs, and operations of Executive and other Federal agencies subject to the jurisdiction of the Office, including their effectiveness with regard to merit selection and employee development; (2) agency compliance with and enforcement of applicable laws, rules, regulations and office directives; and (3) agency personnel management evaluation systems.

§ 5.3 Enforcement.

(2) Reporting the results of evaluation or investigations to the head of the agency concerned with instructions for any corrective action necessary, including cancellation of personnel actions where appropriate. The Director's findings resulting from evaluations or investigations are binding unless changed as a result of agency evidence and arguments against them. If, during the course of any evaluation or investigation under this section, the Director finds evidence of matters which come within the investigative and prosecutorial jurisdiction of the Special Counsel of the Merit Systems Protection Board, the Director shall refer this evidence to the Special Counsel for appropriate disposition.

(b) Whenever the Director issues specific instructions as to separation or other corrective action with regard to an employee, including cancellation of a personnel action, the head of the agency concerned shall comply with the Director's instructions.

(c) If the agency head fails to comply with the specific instructions of the Director as to separation or other corrective action with regard to an employee, including cancellation of a personnel action, the Director may certify to the Comptroller General of the United States the agency's failure to act together with such additional information as the Comptroller General may require, and shall furnish a copy of such certification to the head of the agency concerned. The individual with respect to whom such separation or other corrective action was instructed

All such employees, and all applicants or eligibles for positions covered by these rules, shall give to the Office, the Merit Systems Protection Board, the Special Counsel, or to their authorized representatives, all information, testimony, documents, and material in regard to the above matters, the disclosure of which is not otherwise prohibited by law or regulation.
